**TO: Vendors who have requested RFP #608149**

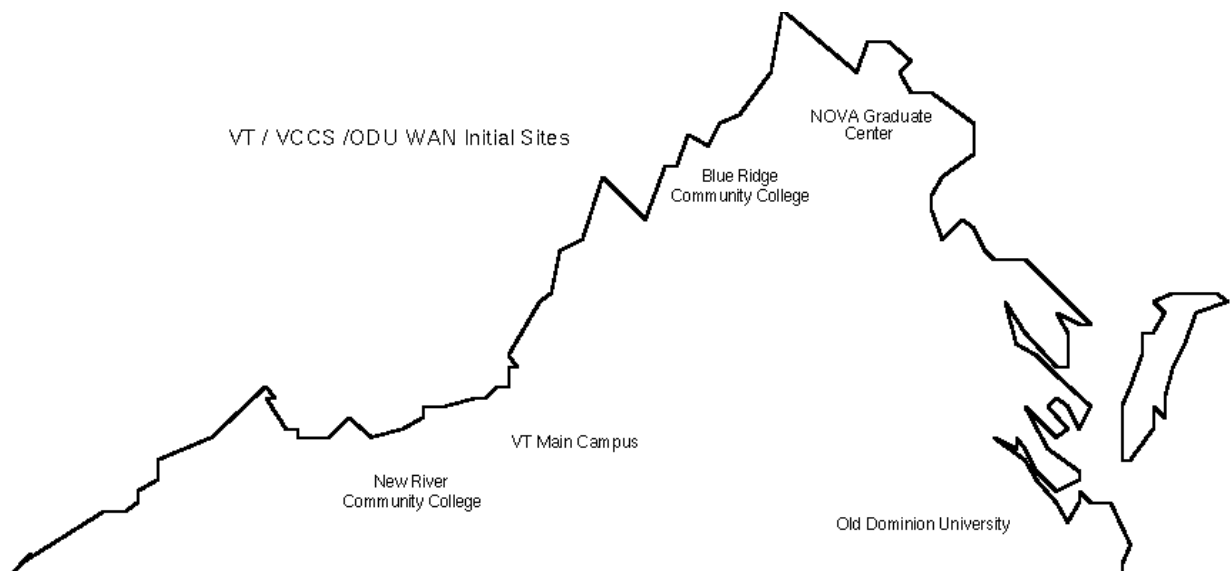

**FROM: R.Craig Woods, RFP Coordinator**

**SUBJECT: Amendment #3 to RFP #608149**

Regarding RFP section 1.6.1, VT and VCCS: Scenario for a Virtual Campus Test Bed.

**Old Dominion University, (ODU), will participate in this initiative** by extending Teletechnet to Blue Ridge Community College and New River Community College utilizing the pilot network. Therefore, extension of the pilot network to Virginia Tech, New River Community College, Blue Ridge Community College, the NOVA Graduate Center, and Old Dominion University (refer to Figure 3 as amended below) should be included in submitted proposals. Accordingly, RFP section 1.6, Pilot Scenarios, paragraph one, sentence four is amended thus, The initiative from Virginia Tech, VCCS, and Old Dominion University will form the primary test bed for Phase I and should be considered the default implementation for the Pilot.

Also, Figure 3: VT and VCCS Phase I Sites is amended:

*(RFP 608149 - Amendment 3 - page 2)*

Per section 1.6.2.3, Teletechnet site participation in the pilot phase may be expanded pending feasibility.
